Greetings!

Games are instrumental to child development - playing is how young children learn! The unlimited resources of imagination and creativity are available to all kids, regardless of other resources they may lack. We are inspired by the resiliency of children who live amidst the effects of poverty, and use their imagination and intelligence to overcome many of the challenges they face.

We also gain inspiration from the adults who make the decision to support children living in poverty by providing the basic resources that children simply can't create for themselves. Your generosity will enable the Student Support Network to meet the basic needs of Baltimore County students.

Finally, we believe it's crucial for grown-ups to add a good dose of fun to their days! It's in this spirit that we invite you to join us as a sponsor on October 7, 2022 for A Night for the Network -- Game Night edition!

We'll gather together in person to celebrate our shared accomplishments, raise funds to enable our continued provision of basic necessities to students across Baltimore County, and enjoy some fun and games while we're at it.

When you sponsor, you will put basics like notebooks, phys ed uniforms, and weekend meals in backpacks that may otherwise be empty - all while showing our community that your business or family cares about neighbors who are still in need.

We invite you to get acquainted with our sponsorship opportunities, and to determine which level meets your ability, supports your goals, and fulfills your desire to help. Please reach out to Rina at rina@studentsupportnetwork.org with any questions. We'll save you a seat!

Thank you in advance for your partnership in ensuring that Baltimore County students who are headed back to school, and are still in need, will be ready to succeed.

Sincerely,

Laurie Taylor Mitchell

Yahtzee!: \$10,000 supports the needs of students - food, clothing, school supplies, and more - at one school for a full year!

Scrabble: \$5,000 provides in-school snacks, meals for weekends, and food to sustain over holiday breaks for students and families at risk of food insecurity at one school for a full year.

Checkers: \$2,500 helps secure a new school's partnership and can provide two beds and bedding for students moving out of homelessness and into a new place to live.

Monopoly: \$1,000 can support an academic field trip for students to experience what it could be like to attend college.

Chutes and Ladders: \$500 supplies 50 reusable water bottles, enabling students to stay hydrated through the school day.

Uno: \$250 could buy a toothbrush and toothpaste for 125 students.

Tickets and sponsorships are non-refundable.
