GREETINGS!

Dear Friends,

There's something magical about going to the movies. The smell of buttery popcorn, the view of the impossibly big screen, the surround sound coming from the speakers as they blast the first preview...our senses awaken as we await the start of a powerful story!

This year at A Night for the Network, we celebrate the magic of the movies – and promise to share with you some of the many impactful stories resulting from our work.

We cordially invite you to invest in the Student Support Network through our annual fundraising gala, the proceeds of which will go toward providing food and basic necessities to support the well-being of Baltimore County Public School students in need. These resources are crucial for students who may not have access to them otherwise.

From the wide-angle perspective, about two-thirds of BCPS students live with financial need. The close-up view shows individual children and adolescents who have limitless promise and need a helping hand from community members like you.

Whether you select a sponsorship or join us to walk the red carpet at the event (hopefully both!), you'll play an essential supporting role in the life of a student who yearns to be a star in their own story.

With blockbuster gratitude,

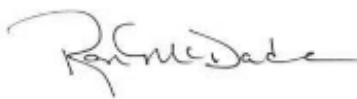

JONATHAN SCHWARTZ

MATINEE: \$250

Benefits:

- Inclusion on Student Support Network's event webpage
- Recognition at A Night for the Network

ABOUT THE NETWORK

Your sponsorship makes a difference. Thank you!

\$15,000 provides the Network infrastructure and funding for a Room of Support in a school, with supplies of food, clothing, school supplies and personal care items for students in need for a full year.

\$10,000 supports the needs of students - food, clothing, school supplies, and more - at one school for a full year!

\$5,000 provides in-school snacks, meals for weekends, and food to sustain over holiday breaks for students and families at risk of food insecurity at one school for a full year.

\$2,500 helps secure a new school's partnership and can provide 100 new coats to keep students warm during the cold winter months.

\$1,000 enables a school to provide 50 fresh produce boxes before winter break, ensuring that students have access to fresh, healthy foods when schools are closed.

\$500 supplies deodorant and shampoo for 250 students

\$250 could buy a toothbrush and toothpaste for 125 students.

We've gone paperless (mostly!) To commit to a sponsorship please visit:

STUDENTSUPPORTNETWORK.ORG/NIGHT

You'll find details to mail a check or pay by credit card. Sponsorships that include tickets will receive instructions to register their guests once their commitment forms have been completed.
